

28th June 2018, IWC Kuala Lumpur. Hari Raya Cheer 2018 to Mesra Old Folks' Home

It was a lovely afternoon filled with singing and having warm conversations with the residents of Mesra Home.

Mesra Home houses old folks from various states, and their ages ranges from 66 to 83 years, most of them abandoned by their own family members. Despite this, the ladies has instead risen above their circumstances, and by living together, they now count themselves as family and depend on each other for sisterhood and support.

On 28th of June, Inner Wheel Club Of KL made a visit to the home, among present were **Incoming President Lynn Wong, Juanita Lee, Foong Pack, Robin Lokman, Datin Jangir, Margaret Yee, Mimi Halimah, Bee Ngoh, Datin Hasnah & Puan Sri Nora Marzuki.**

Our care gifts included food basics and personal care and sanitary products.
