The Rotary Club of Greentown recently concluded the first batch of candidates for cataract operations at the Tun Hussein Onn Eye Hospital. This project was funded by a grant from ROTOFORM with the RC of KL DiRaja as the local matching club.

The candidates were:

Puan Khalijah (aged 67). She lives with her daughter a factory worker, her unemployed son-in-law and two school going grandchildren.

Mohamed b Jerais (aged 80). He stays with his son, a waiter earning RM 700 per month and family of three.

Ng Yun Sin (aged 55). He is handicapped having lost one leg in an accident. He lives with his wife who sells lottery tickets for monthly income averaging RM 400.

Ma Kai (aged 69). Ma Kai lives alone. She is a seamstress but the condition of her eyes has meant she is unable to continue earning income as seamstress.

Tan Hong Goh (aged 75). He lives with his daughter and her family of five. His Son-in-law lost both legs in an accident and works as a ice-cream seller to maintain family.

Maimunah bt Mohd Ali (aged 70). He lives with his son who is an odd job labourer in the kampong and family of five.

Rtn Horst Hermann Wippem & Simone on 18.12.2003
Rtn Attan Akmar & May on 25.12.2003

Last Week's Speaker Report Back: Assistant Governor Leslie Sallehuddin

Topic : How to be an Effective Club

Club Secretary Rtn Freddy Chan introduced AG Leslie Sallehuddin, who really needed little introduction to most club members. The theme of his talk was 'How to be an Effective Club' and his challenge to the club was, were we resting on our laurels.

RCKL diraja was the oldest Rotary Club in SE Asia and the only club in the world which enjoyed royal patronage. It had over the years produced a lot of the leaders for Rotary in the district and been an example for other clubs to follow. But that was then and were we living on past glories. Rotary needed constant refreshing and new and energetic members. There were he observed a lot of Past Presidents and a lot of receding hair lines who may have felt they had done there bit.

The theme of Rotary this year is Lend a Hand and this can take many forms including service to the community, club and the club boards. so being an active Rotarian is not just about attending lunches but being involved, being counted. So some specific areas of challenge given to us included, improving attendance, membership development – our clubs age profile is beyond its first flush of youth to say the least, possibly before the end of the millennium admit women as members, fighting talk! and lastly to encourage and develop potential leaders for the District

These observations and challenges to the club were from a friend and well intended and gave us all much food for thought.

A final promotion for the forthcoming District Conference and a turn out of at least 80% was the final challenge and the vibrancy of Leslie's talk left most of us gasping and realizing why he was standing there and not us.

PP Sou Yong thanking the speaker
AG Leslie Sallehuddin.

Club Visitors

Dr's David Heyman and Sigrud Roesel both of the World Health Organisation were guests at lunch of PDG Dato Hj Mustapha Ma. Dr David Heyman addressed the meeting briefing on the status of the Polio Eradication Programme. He mentioned that the date now set for finally freeing the world of Polio was 2005, that only 6 countries in the world still had the disease but that 5 of these were Organisation of Islamic countries. Rotary had mobilized over \$100m for the final push and in total more than \$600m for the eradication programme.

PDG Mustapha Ma with guests David Heyman and Sigrud Roesel from WHO who briefed the Club on the polio problem

Although not himself a member of Rotary his father had been, so he fully appreciated the efforts involved in raising and giving these very large sums of money. His letter of thanks and appreciation to Dato Mustapha Ma:

"It was a great pleasure to meet you in Kuala Lumpur. Thank you very much for accompanying on our visit to the minister, and for the guidance you have given regarding follow up to the OIC resolution. Your back of the scenes help prior to the OIC meeting, and your frequent discussions with the honourable minister have been instrumental in helping us along the way, and we are deeply indebted. Finally thank you for your admirable hand in arranging for the Friday prayers in Egypt to include polio concerns, and for having invited Sigi and me to attend the Rotary lunch. It was good to learn more about your club and to have the time to speak with you and your colleagues...."

P.P. John Clare for the Rotary Club of the Isle of Scilly was one of the clubs visitors. John explained that the isle's of Scilly were some 20 miles off the tip of Lands' End in England and had a sub-tropical climate – difficult to believe for any recent visitors to London. The Islands are small, John explained he doesn't have a car and most of the transport is by boat. Another point of interest was that the Scilly Islands with a population of only some 1400 inhabitants probably had the highest per capita membership of rotary of anywhere. The main industry's were flower growing and tourism; John explaining that he kept a guest house there – all a far cry from Kuala Lumpur.

Picture Clockwise:

1. PP Frank Lim, birthday boy PP Stuart Pack and Treasurer Francis Chan at the buffet.
2. Rtn Wong Chee Loon, Rtn Lim Che Wan, PP Dato' Dr Low Bin Tick and VP Low Kok Hwa at the organising meeting for the Chinese New Year fellow ship.
3. The 2 Hardeeps - PP Dr Hardeep and Rtn Hardeep enjoying fellow ship after the Club Service meeting.
