## ESTESS ASKS ROTARIANS TO REMEMBER THOSE LOST DURING WARTIME

Rotary International is among the organizations participating in the National Moment of Remembrance, to be held 30 May in conjunction with U.S. Memorial Day celebrations. Rotarians are invited to pause at 3:00 p.m., local time in a moment of reflection.

The moment does not replace the traditional Memorial Day observances but rather is intended to be a "unifying act of remembrance" according to the White House Commission on Remembrance.

Though Memorial Day is a U.S. holiday, RI President Estess remarked it is a time to remember the price of war and Rotary's commitment to peace.

"This is an opportunity for Rotarians of all nations to remember those who have lost their lives in the service to their country," says Estess.

## From The Desktop Of A Rotarian

I was asked... "Why there are no ladies members in our club?" by a younger Rotarian. I looked blank back at him. What can I say? Our club's constitution has been amended to change all references to the male gender to "all adult persons"... there's no reason why a lady cannot be a Rotarian in our club.

When I first joined this club it was and still is and all male club. Sometime in the 80's a lady in USA won a Court decision that there was gender discrimination in not being allowed to join Rotary, resulting in the changes in the standard Rotary's constitution I mentioned above. Good... Ladies can join Rotary... I have no objections to that.

But a club can be an all male, all female or a mixed club. You won't "catch me dead" in an all female club...

So I can't see why a female wants to join an all male club. And I don't want to be the first person to change the composition of the club to "mixed" by proposing a lady member.

Furthermore... I feel that the first lady member... would be a "role model"... work with, take part in all respect of our activities... and not merely look pretty and be merely a RINO. I have not come across such a lady who wants to join us yet.

I am Not a MCP (actually I likes gals)... But I joined an all male club (plenty around the world)... So let it be... Maybe like others... Start another club for ladies to join.
